# New Home Page

The screenshot displays the TEKS Resource System home page. At the top left is the logo for TCMPC TEKS RESOURCE SYSTEM, which includes icons for a document, a globe, a book, a gear, and a person. To the right of the logo, there is a user profile section showing "Hello, Julie!" and a "Logout" link. Further right are links for "System Management" and "Help". Below the logo is a navigation bar with tabs for "Standards", "Parent Resources", "District Resources", and "District Tools". Underneath the navigation bar is a secondary menu with "Subnav example" and three "Another link" items. The main content area features a large banner image of a young boy writing in a notebook. The banner text reads: "Targeted Success with Quality Curriculum and Aligned Assessment". To the right of the banner is a "Quick Search" section with a search box and two dropdown menus for "Grade" and "Subject Area", along with a "Search" button. Below the banner are three informational boxes: "Support" (with a first aid icon) which says "Find additional resources (videos, guides, FAQs) in the TEKS Resource System Support Library."; "Revisions" (with a warning icon) which says "Check for revisions to the TEKS Resource System components by content area."; and "News & Updates" (with a megaphone icon) which says "Check here for important content-related news!". At the bottom of the page, there is a footer with links for "About Us", "Events", "System Requirements", "Tech Support", and "Contact the TCMPC". A copyright notice at the very bottom reads "Copyright ©2016 TCMPC - All rights reserved".
